Shanghai Bocal Accessories Co.,Ltd ,Trading As “sheepskinworld” since 2006 , production base included 20,000 square meters of plush fabric faux fur factory with over 300 of on-job trained workers,products 60% were exported to worldwide market .As a fur manufacturer, Bocal has put a lot of researching on the best imitation of faux animal fur,for now the faux shearling sheepskin fur,faux raccoon fur,Sherpa fabric,super soft fabric,velvet fleece, faux long haired lamb fur,faux rabbit fur,faux mink fur and fox fur fabric been have made top sale in the world.

Bocal always take care about costs, health and safety to make products more competitive in the market.A experienced designer and 18 years of on-job trained sampling team there would like help you and turn your idea,design or even a concept into a real thing.

Quality control is always the first important to order production,Bocal setup a independent QC tracking code system since 2008 it through out entire production line,the inspector could easily find on-line faulty products or worse products.Based on this system Bocal has obtained Certificate for Quality Management System ISO9001 and Environmental Management System Certificate ISO14001 product pass the Safety testing from TUV-NORD,OEKO TEXT 100 and more.

Bocal OEM/ODM production system could quickly make all kinds of finished products as rug,blanket,bag,scarf and pillow cushion etc at top quality and timely delivery.

Bocal welcome customers from worldwide to visit and talking business.
